

ANNOUNCEMENT Regarding The Foreign Fire Insurance Tax Distribution and General Municipal Pension System State Aid Program

2007 STATE AID UNIT VALUE RELEASED

2007 State Aid Unit Value = \$3,206.39

This amount represents approximately a 3.8% increase over the 2006 State aid unit value of \$3,088.52.

The Department of the Auditor General determines the State aid unit value annually. This determination is based on the number of units certified by all eligible municipalities and total amount of aid available.

Please keep in mind that each non-uniformed participant certified on this year's Form AG-385 is worth one unit while each uniformed participant certified on this year's Form AG-385 is worth two units.

It is our understanding that State aid checks should be distributed to municipalities in the next few weeks.
